Sub: Lethargic and ignorant attitude of Circle Management in settlement of legitimate grievances of executives even though frequent persuasion by the Association.

Respected Sir,

Following legitimate and genuine grievances are pending unsettled since long even after frequent persuasion of the cases by us.

- **Consideration of Request Transfer:** Consideration of request transfer after completion of stipulated period of 2 years on non-soft tenure stations. Change of posting SSA is requested for a non-premier SSA in respect of demand.
- **Pending E4 to E5 IDA Upgradation cases:** it has passed more than one and half month but there is no progress in this regard.
- **Issuance of officiating orders from TTA to JTO:** Many SSAs are totally ignorant in sending VCs/Special reports but no harder action is taken in this regard.
- **Slow & negative approach in settlement of personal claims:** unnecessary objections / irrelevant queries in settlement of medical and other claims.
- **Posting of Regular DGMs/Addl.GMs as SSA Head:** There are many DGMs/Addl.GMs who have been completed their station tenure in respect of transfer policy. Such officers should be posted at different SSAs instead of posting of the executives through Look After Arrangement.

This association also feels that Circle Management is lethargic and ignorant in settlement of legitimate grievances of executives. Most of the issues are frequently discussed but the management is always non/slow-responsive. We once again request that the grievances raised by the association needs justified and fast disposal.

With kind regards,

Yours sincerely

(M.K.Morodia)
Circle Secretary
