To,

Shri O.P.Gupta

Chief General Manager,
Rajasthan Telecom Circle,
JAIPUR-302010.

Sub: Placement of some JTOs in other SSA on issuance of promotion and posting orders of JTOs to SDEs under LDCE quota.

Respected Sir,

We are very thankful to you on a very fast issuance of promotion and posting orders of JTOs to SDEs under LDCE quota, accommodating most of them at the same SSA. But sir some of them have been transferred to remote SSAs which is some unpleasant scenario of these orders. Sir, your kind self had always protected the interest of executives even this year rotational transfer orders have been avoided. In such situation it is heart burning for those who have been transferred on a long awaited promotion.

Sir, it is reliably learnt that almost circles have issued the same station of posting. Most of the transferred JTOs have a very less stay on their present station of posting. There are many executives who have more & more stay on the same stations.

Executing these orders shall be very injustice to them also as per the point no. 10 of these promotion orders is itself illustrative that the serial no. is not seniority no. then how they can be treated as junior most.

It is humble request that all the transfer orders may please be cancelled immediately.

Thanks in anticipation.

Yours sincerely

(M.K.Morodia)
