Subject: Implementation of CAT Jaipur stay order in its true spirit against, withdrawal of additional increment provision under BSNL Executive Promotion Policy (EPP) on posts based promotions – reg.

Reference: DoT letter number 40-12/2004-Pen (T) (pt) dated 05.07.2017

Respected Sir,

On the subject and reference cited above, we would like to draw your kind attention towards that on the basis of above referred DoT letter, CCA unit in Rajasthan circle is returning the pension cases to BSNL field units and directing them to revise their pay fixation in accordance to DOT Letter dated 05.07.2017.

Accordingly, Rajasthan Circle has revised the pension / pay without the endorsement of this order from BSNL Corporate Office. It has Caused huge recoveries in pay / pension of the executives.

Despite of H'onble CAT, Jaipur Bench in O.A./291/435/2017 passed an order "In pursuance of the impugned order pay revision and any recoveries following this pay revision shall remain stayed till next date of hearing". (Copy of CAT Bench Jaipur order dated 23-08-2017 is enclose h/w) . This stay order was brought in your kind notice jointly by our both the Executive associations and requested that the CAT orders

has to be implemented in its true sprit but it is unfortunate that in spite of repeated request of both the associations CAT orders are not implemented and pay of the retiring officer has been revised and recoveries are made from the leave in cash payment of the retiring officers .

You are once again requested that suitable instruction may be given to concerned officers that no recoveries should be made from the retiring officer by honoring the CAT Jaipur Stay orders.
