RAJASTHAN TELECOM CIRCLE, JAIPUR

No. : UNITED FORUM/RAJ/2012/1

Dated at Jaipur: 11-05-2012

To,

Shri P.K.Agrawal

Chief General Manager Telecom
Rajasthan Telecom Circle,
Jaipur

Sub: Harassment of all the Executives of Kota SSA by Shri A.K.Gupta, GMTD Kota with indifferent attitude.

Respected Sir,

All the Executives of Kota SSA are being victimized by the day to day misbehaviour of Shri A.K.Gupta, GMTD Kota, since long. The matter has already been discussed with your kind self by us on 13-04-2012 but no change in the behaviour has been observed. Shri A.K.Gupta is habitual of doing such behaviour at his various postings. He has only one motives how to demoralise the executives posted under him. Shri A.K.Gupta never respect Mutual goodwill with Associations. The situation has now become very explosive. AIBSNLEA, SNEA & AIGETOA Branches of Kota has decided to fight against the unpleasant situation unitedly, under the banner of "United Form of the Executives' Associations of BSNL" and had served a memorandum to Shri A.K.Gupta, GMTD Kota, against his misbehaving & harassing attitude towards all the Executives at Kota SSA on 16-04-2012.

We again want to bring following facts in your kind notice that:

- Shri D.K.Mistry DE and Shri M.K.Sharma, DE was so much harassed by Shri A.K.Gupta that they had been compelled to take voluntary retirement.
- Shri Arun Sharma TTA (LA-JTO) was extremely fired by Shri A.K.Gupta that he got unconscious in the office and afterward he remained admitted in ICU for couples of week. Shri A.K.Gupta never bothered about such situations and he never tried to meet him & reconcile him for this unpleasant situation.
- Shri A.K.Gupta is always ignorant toward his duties as SSA Head. No any required resources are being made available in the SSA which is badly affecting maintenance of essential telecom services. He is always keen to ask out put only without providing any resources to the field executives. It is a fundamental principle that Efficiency is the better ratio between input and Output, but in no case Zero input will result maximum efficiency.
- Now a days Shri A.K.Gupta is writing a bagful of DOs to subordinate Executives for putting them in extreme mental pressure, Efficiency cannot be increased by sitting in office and writing such DOs. If he is really interested in growth of BSNL at KOTA he must come out from office and lead the team in field working.

We once again request your kindness for intervene in the matter and instruct Shri A.K.Gupta, GMTD Kota to stop such type of vindictive activities. If the things remain continued, we, under the banner of UNITED FORUM OF BSNL EXECUTIVES' ASSOCIATION, will be compelled to go on the agitational path for the survival of our members and to protect our self respect with growth of BSNL.

With kind regards,

Yours Sincerely,
